Plot for sale in Ferragudo with views over the river Arade

Plot for sale with project approved to construct a 4 bedroom villa with pool. The villa can be built on 2 levels and is situated on an elevated position which will give you a lovely view to the river Arade from first floor. The plot has a size of 1.085 m2 and has an allowed construction area up to 247m2 . The plot is located in a calm and residential area of Vitors Village in Ferragudo. The charming fishermen village of Ferragudo is a short drive to the main shopping center in Portimão within a few minutes walking distance to the white sandy beaches: Praia de Angrinha, Praia Grande and the center of village where you will find various restaurantes, bars and shops.
