4 Bedroom Contemporary design Villa near Carvoeiro

An impressive villa of contemporary architecture thoroughly designed to maximize brightness, comfort and privacy. Located in the heart of the green zone amidst the last building permits near the sea, it enjoys marvelous views in the rural west area of Carvoeiro and allows walking to a local open secret- the Vale de Lapa beach. Local tennis, golf and social clubs are also located within walking distance and access to Faro airport is 45 minutes away. Given the prime location and increased building restrictions combined with the eye for quality from the developers it is truly one of a kind. The building comes with the most modern standards prepared such as solar panels, heat pump and electric car charging. This villa has in total four tremendous bedrooms with ensuite bathrooms and walk in closets, three private roof terraces, infinity pool, gym, sauna, two large ho...
