## Traditional 5 Bedroom Quinta for sale

Charming country house located in a tranquil setting, surrounded by the serenity of nature. With traditional architecture, the house exudes rustic charm and elegance. Upon entering, you are welcomed by a spacious living room with a cozy fireplace, providing a warm ambiance on cooler days. The house features five well-appointed bedrooms, each with its own touch of style. On the ground floor, there is one bedroom currently used as an office, two bathrooms with shower, two en-suite bedrooms and another room currently used as a small living area. Still on the ground floor, there are a laundry room, pantry, and two dining rooms—one formal and another family-oriented. The latter is quite luminous with expansive glass windows overlooking the pool and garden. The interior decoration stands out for the harmonious blend of traditional and contemporary
